Subject: Samskip Energy Surcharge

Dear Customer,

Please be informed that as from January 1st, 2010 the Samskip Energy Surcharge to be charged on the base rate will remain on current levels.

The surcharge for January 2010 is based on a weighted average of bunker and diesel prices over the period November 17th - December 16th 2009. In comparison with the reference price, the weighted average cost of energy has increased with 14.5% in this period.

For more details please refer to the table below:

Fuel type	Reference price 1-1-07	Average price Nov-Dec '09	Weight	% change
- IFO380 / LS380	€ 191	€ 315	58%	64.5%
- IFO180 / LS180	€ 206	€ 329	27%	59.9%
- MGO	€ 392	€ 415	15%	5.8%
Bunker weighted avg.	€ 225	€ 335	30%	48.1%
Diesel	€ 1,07	€ 1,07	70%	0.0%
Weighed average increase of energy prices			100%	14.5%

The increase of energy cost is the basis for the following surcharges calculated onto the base rate:

Route	Surcharge
UK-route	2,9 %
Ireland-route	3,0 %
Iberia-route	2,6 %
Norway-route	2,7 %
Sweden-route	2,0 %

The level of the surcharge is reviewed on a monthly basis and is published on the Samskip website¹. Please refer to the Energy Surcharge Manual for details.

We thank you and look forward to handling your business.

Sincerely,

Peder Winther
