

The logo features a large teal circle in the center with the text "samskip" in white lowercase and "LOGISTICS" in white uppercase. Surrounding this central circle are two concentric dashed lines. Between these lines are ten square icons of varying shades of blue and teal. Clockwise from the top, the icons represent: a person at a computer, a warehouse, a container being lifted by a crane, a large warehouse building, a cargo ship, a globe with arrows indicating movement, a clipboard with a checklist and a box, a warehouse with a loading dock, a container, and a solid teal square. The entire graphic is set against a light gray background.
