Winter Surcharge Russia 2021-2022

DATE 01 NOVEMBER 2021

Dear customer,

Due to seasonal increase in the local tariffs and the special weather and ice conditions prevailing in the St. Petersburg area during winter time we herewith inform you about the seasonal implementation of winter surcharge.

For the winter period 2021/2022 the surcharge for all shipments will be:

Euro 110,- per TEU laden and empty

Applicable for all containers shipped to and from the port of St. Petersburg as from sailing date **01.12.2021** until the end of the winter period which probably will be end of April 2022.

For more information, please do not hesitate to contact your local Samskip representative.

Thank you for your understanding.
