

## Sweden Rail Product Energy Floater November 2022 Terminal - Terminal

**18 oktober 2022**

Dear valued customer,

Please see an update on the energy surcharge applicable per 1<sup>st</sup> of November for terminal to terminal transports on Sweden Rail Services.

Samskip still observes that due to the global circumstances that the cost levels of energy remain at very high levels which is still impacting the electricity costs in the countries Samskip operate its services.

The average kWh value declined versus October. The applicable energy surcharge valid per 1<sup>st</sup> of November will as per below:

<b>Equipment type</b>	<b>Applicable energy surcharge for Duisburg - Sweden trains</b>	<b>Applicable energy surcharge for Duisburg - Rostock trains</b>
20ft container	135 euro	90 euro
23-30ft container	156 euro	99 euro
40-45ft container/ Swap body	172 euro	110 euro
Trailer/ Mega trailer	172 euro	110 euro

*Increase applicable per 01-11-2022*

Together with our suppliers, Samskip continues to invest in order to ensure a sustainable future and we greatly value your support throughout this transition process. We encourage you to remain in close contact with your regular sales contact during this time as our industry continues to evolve.
