

## Client Announcement

# Sweden Rail Product Electricity Floater July 2023 Door - Door

20 June 2023

Dear valued customer,

The Sweden Electricity floater for July 2023 is based on the weighted average of the energy price development, defined in KWH for the trains Samskip operates via Germany, Sweden and Denmark.

**For the month of July 2023 the weighted average energy is set at 0,165 KWH. The Electricity floater remain at the same level as June: 70 EURO per shipment**

The Sweden Electricity floater is reviewed monthly and is published on the Samskip website:  
<https://www.samskip.com/surcharges/>

The value applied is based on the collection date of shipments.

In case you are invoiced in a different currency than in EUR, the surcharge will be converted based on the average rate of exchange over the above-mentioned period.

We trust that you understand our position and look forward to your continued support.

Sincerely,

Samskip
