

# Door-Door Baltic States

**Samskip offers importers and exporters in the Baltic States multimodal transport solutions along with a strong service culture to their key markets in Great Britain, Ireland and the Benelux area.**

## Key Features

- We have offices in all countries of service with experts that speak the local language.
- Samskip owned truck fleet in Latvia, providing high-quality, on-time collections and deliveries.
- Pan-European short-sea network via our hub in Rotterdam, with high frequency connections to the UK, Ireland, Norway and Iberia.
- Weekly fixed-day sailings to/from Riga and Klaipeda, guaranteeing reliable service.
- Multimodal service options: Intermodal Sea, Intermodal Rail, and all road services which can be tailored to your supply chain requirements.

## What's New?

- Kaunas Intermodal Rail service with 4 weekly departures from Kaunas to Duisburg and vice versa with competitive onward links to/from the UK, Ireland, Benelux and German Ruhr area.
- In-house customs clearance options in the UK and Latvia to ensure a smooth supply chain.
- Express service by direct truck from Benelux and Germany to Latvia and vice versa for urgent consignments.

	Door-door transit time to & from Latvia (Riga short sea)	Door-door transit time to & from Lithuania (Kaunas rail)
UK-Hull & Tilbury	13-14 days	9-10 days
UK Grangemouth	16-17 days	10-11 days
Ireland	14-15 days	11-12 days
Benelux & Germany	10-11 days	6-7 days

*\*Transit times are estimated door-door transit times depending on loading day*
