

# Quay-Quay Door-Door Ireland Service

**Having served Ireland for so many years, Samskip has valuable experience, a strong local presence and an extensive customer base!**

## Key Features

- Reliable schedule and sustainable transport.
- A variety of equipment types.
- Our direct connection from Rotterdam/Amsterdam to Ireland as alternative to UK landbridge.
- A strong local organization.
- Door-Door and Quay-Quay services.
- Link with the Samskip network throughout Europe.

## New and Improved

**Direct connection to and from Amsterdam connecting Dublin to the European mainland.**

New and improved equipment fleet (45ft, reefers, flatracks).

A variety of transport solutions serving door-to-door connections between the continent and Ireland.

We combined different transport modes while taking mileage off Europe's busy road network.
