# Sweden Rail Product Electricity Floater November 2023 Door - Door

19 October 2023

Dear valued customer,

The Sweden Electricity floater for November 2023 is based on the weighted average of the energy price development, defined in KWH for the trains Samskip operates via Germany, Sweden and Denmark.

**For the month of November 2023 the weighted average energy is set at 0,169 KWH. The Electricity floater Remains at the same value versus October: 75 EURO per shipment**

The Sweden Electricity floater is reviewed monthly and is published on the Samskip website:  
<https://www.samskip.com/surcharges/>

The value applied is based on the collection date of shipments.

In case you are invoiced in a different currency than in EUR, the surcharge will be converted based on the average rate of exchange over the above-mentioned period.

We trust that you understand our position and look forward to your continued support.

Sincerely,

Samskip
