

Samskip UK Services

Offering maximum country coverage

Having proudly served the United Kingdom and Ireland for so many years, Samskip has acquired valuable experience, a strong local presence and has built an extensive customer base.

Multimodal Network

We've got the expertise

Samskip offers Pan-European, environmentally responsible combined transport services via shortsea, road, rail and inland waterway routes. We are committed to cost-effectiveness, operational excellence and best practice in sustainable transport.

Flexible Cargo Handling

Expert in all kinds of specialized equipment

Samskip offers a wide range of modern equipment to suit the specific needs of your cargo. Our fleet includes 45ft, high cube pallet-wide containers. Our temperature-controlled 45ft'ers can safely transport all cooled or frozen cargo. Serving the steel and construction market as well, Samskip conveniently offers flatracks (side and top loading).

Our Features

Short-sea Terminals

With our short-sea focused services, we can guarantee capacity and the expertise to get your cargo moving.

Reliable Schedule

Regular, congestion free sailing schedule to and from the UK.

Hinterland Connections

We've got the capacity to handle large quantities of diverse cargo linking to hinterland destinations.

Crossdocking Solution

Tailored crossdocking solutions in Amsterdam covering areas outside the reach of the hinterland connections.

One Point of Contact

A dedicated team of professionals specialized to service you in the English language.

Mitigating Driver Shortage

By using our own trucking solutions, we improve on the time performance and assure quality.

Crossdock Amsterdam Product

Crossdocking Solution

With crossdocking, your freight arrives at our terminal, is unloaded immediately and reloaded in such a way that every part of the shipment can go directly to the final destination. Our Amsterdam product offers you the benefits of using local based capacity to transport your goods by water and rail by various hinterland connections.
