

# Norway Oslofjord Shortsea Service

Samskip introduces our dedicated Short-Sea service between Rotterdam, Oslofjord and the UK. For the first time, we offer our customers *"three weekly arrivals in Oslo!"*

## Key Features:

- Dedicated Short-Sea service,
- Multimodal container & reefer services tank & bulk services,
- Frequent sailings & reliable service,
- Daily collections and/or deliveries in Oslo area basis:
  - 3 port calls per week in Oslo,
  - 2 port calls per week in Moss,
- 1 call per week in Kristiansand, Larvik, Fredrikstad & Brevik,
- Direct service between Oslofjord and the UK,
- Extensive multimodal connections throughout Europe,
- Dedicated customer service teams,
- In-house customs clearance service,
- Cost-efficient transportation,
- First step towards emission free vessels in 2025-2026

With 3 port calls in Oslo and 2 calls in Moss, our customers have options from the daily arrivals/departures in the Greater Oslo area. Moving transport from road to sea has never been easier!

With the introduction of direct sailings to-and-from the UK, this is the most comprehensive Short-Sea product to-and-from Norway Oslofjord to date.
