

VGM Agreement

The amended SOLAS Convention – Chapter IV, effective as per July 1st, 2016 - specifies that the shipper has the sole responsibility to provide the Verified Gross Mass (VGM) to SAMSKIP. Without the aforementioned VGM, Samskip is not able to load the booked container on board its sea-going vessels.

Agreement

COMPANY NAME
 INCORPORATED IN COUNTRY NAME
 REGISTERED AT ADDRESS
 UNDER IDENTIFICATIONS NUMBER

from now on known as: **THE SHIPPER**

AUTHORISE

Samskip Multimodal B.V., incorporated in The Netherlands and registered at Waalhaven OZ 81, 3087 BM Rotterdam, The Netherlands under the identification number 24139799: **SAMSKIP**

from now on known as: **SAMSKIP**

TO APPLY THE FOLLOWING PROCEDURE

- In case **THE SHIPPER** wishes to follow SOLAS method 2 which requires weighing all the cargo and contents of the container and adding those weights to the container's tare weight.
- **THE SHIPPER** will provide the correct cargo weight (1) (including pallets, dunnage, packing and securing materials) in the booking order to Samskip.
- **SAMSKIP** will add the cargo weight (1) advised by **THE SHIPPER** to the container's tare weight (2)
- **THE SHIPPER** authorises **SAMSKIP** to sum both weights (1) + (2) and consider the total weight to be the Verified Gross Mass (VGM) signed by the Undersigned, **THE SHIPPER**.

The Undersigned guarantees that all information provided to Samskip is accurate and complete, and Undersigned indemnifies Samskip for any loss, liability or fines, arising of and/or resulting from inaccuracies in or inadequacy of these particulars.
