

Customs Clearance for Seamless Cross-Boarder Connections

Customs clearance is more than just paperwork. With Samskip as your customs clearance service provider, your goods move seamlessly end to end. One partner, one complete service, one stop shop.

Non-EU Company, Not a Problem

With us as their representative, non-EU companies can trade across Europe. No VAT registration, no hassle, just smooth sailing into the European market.

Your Personal Customs Clearance Agent

Acting directly on your behalf, we handle declarations and formalities with customs authorities, removing administrative burdens.

Your NCTS Documents Move Smoothly across Borders.

We prepare and manage transit documentation under the New Computerised Transit System (NCTS), along with CBAM and dual-use compliance.

We have the expertise and the global reach to streamline import and export formalities, no matter the complexity. With local teams, digital solutions, and vast knowledge in EU and non-EU trade, we ensure your cargo stays compliant avoiding delays, and reaching its destination smoothly.
